There are a few ways to get free robux in Roblox. 1.) Game purchases - Unlike other games, there is no way to get free robux through game purchases. 2.) Trading with friends - One of the easiest and quickest ways to get free robux is by trading with your friends. However, this can be difficult if you do not know anyone on Roblox or if they are not online. 3.) Sell creations on the site - This will give you a certain amount of money every day for free which can help you generate more gameplay time and use more items in-game, but if it's too hard then you might want to try selling your creations on the website first before trying this method

There are a lot of ways to get Robux without actually doing anything. Here are some of the ways you can do so. 1. Trade other players for robux in the Roblox economy. 2. Extract robux from your account in the Roblox game itself. 3. Search for websites that offer free Robux or offers codes to download them. 4. Use our guide on how to get hackers and crackers to store money on your computer, Bitcoin wallet, or use their internet services such as VPNs or proxy server. 5. Purchase them through an online marketplace. 6. It is possible that if you bought games in the store, you would get robux as a promo. 7. It is also possible that if you subscribe to some games' channels on YouTube, they give you free robux. 8. Try and beat high scores so that developers share some money for free. 9. Submit a new game and hope to be featured by Roblox itself because the developers said so.

You can't win. They're removing the only value in the game. When that happens it's going to turn into a giant useless wasteland of abandoned servers that will do nothing except make ROBLOX developers richer while people are kicked off for no reason because they don't have enough money to waste on fake money.

Rated 5 out of 5 by Anonymous from So fun! I love playing Roblox. It's very fun to play with friends and it's so much better than any other multiplayer game that I've ever played. If you are looking for a good multiplayer gaming experience this is the one to get.

Rated 5 out of 5 by Anonymous from Amazing but scary I absolutely love this game. There is so much to do like make clothes, build houses, and even things on ROBLOX Studio. After I started building my own games I decided to start playing them and they are so intense. But I love it there is lots of challenges.
