

## (Anexo: 2)

In relation to the evolutionary study of the city, in accordance with the established methodology, the MMAIH inventory has been prepared. In general, the inventory includes all the assets, free spaces and other elements of interest related to the military, maritime and industrial heritage of the city of Cadiz.

The MMAIH inventory has been prepared taking into account:

- . The Catalogue of Protected Assets of the General Urban Development Plan.
- . Other elements and goods not included in the Catalogue related to the objective of the Project, such as:
  - Model of Cádiz.
  - Constitution of 1812.
  - Minutes of the Royal Board of Fortifications of Cadiz.
  - Historical Cartography of Cadiz.
  
  - Port of Cadiz.
  - Seafront promenade.
  - The Seafront Promenade of the Bay.
  
  - Tidal wave.
  - Explosion of 1947.
  
  - Tourist Routes. "Four Walks Through History."
  - Feast of the Cannonballs.
  
  - Shipyard.
